## RANGE SAFETY RULES

*The Law Enforcement Bicycle Association accepts no liability for courses taught by persons who are not certified and trained Police Firearms Instructors, Airsoft Instructors or Simunitios Instructors.*

*Merely attending the LEBA Police Mt. Bike Instructor's Course does not qualify you to teach the LEBA Tactical Mt. Bike Firearms Course, any other firearms course, firearms drill or any other simulated firearms course unless you are certified by your jurisdiction to teach in such capacity.*

**#1 AND #2 OF THE BELOW WRITTEN RANGE RULES MUST BE READ AND CHECKED OFF WHILE INSTRUCTING OR ASSISTING ANY SUCH LEBA TACTICAL POLICE MT. BIKE FIREARMS COURSE OR SIMULATED FIREARMS COURSE.**

1. \_\_\_\_\_ The Law Enforcement Bicycle Association does not condone the firing of a police firearm while on a Mt. Bike and believes the practice is unsafe.
2. \_\_\_\_\_ The Law Enforcement Bicycle Association does not advocate the riding of a bicycle with a firearm in your hand at any time.

Once #1 and #2 have been read, the range rules of the specific range where you are conducting training will apply. In every case local range safety rules SHALL apply.

The above checked off rules were read to all participating in the Police Mt. Bike Firearms, Airsoft or Simunitios training.
